

Primary student use of mobile phones and personal devices

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day. Any personal worn smart devices must also be set to the relevant offline / flight mode and cannot be used to make any form of recording during school time, or be used in way contrary to this policy.

Storage of personal devices

If a student is to have a mobile telephone at school, parents/carers are to:-

1. advise the teacher in writing that the child has a mobile telephone
2. instruct the child to keep the mobile in his/her bag and turned off at all times.
3. only access the mobile telephone after school hours. Students cannot use their mobile phones while on school grounds between 8:30 and 3:10.

If the student does not comply

Should students breach the policy, they will be subject to normal Behaviour Management consequences. The student will be instructed to lodge the mobile telephone in the security of our front office for the rest of the day and parent/s will be asked to collect the phone from the office.
